## Ad Space Email Template

Dear Creative Native,

DIGITAL WOLF MAGAZINE has produced print and digital content since 2018, highlighting the inspiring unique abilities and contributions of creative individuals from all walks of life. The magazine was produced to showcase creative people, we call Creative Natives, worldwide. All our editions have a theme and the individuals featured fit that theme. Each person featured is designated a Creative Native; A creative individual who possesses a skill or talent they use to create art, for leisure, profit, and community projects. Our next edition of Digital Wolf Magazine is underway and we have ad space available in three different sizes.
